Greetings,

Happy New Year!!! We at Trumbull Mobile Meals have a thankful filled with gratitude for all your help no matter how big or small. Without all your help and investment we could not do what we do. Thank You!!

We are excited about 2019!! One of our goals is to create new partnerships and continue the important work with our current partners. Sharing that same passion, gives us all the sense of belonging and excites us about accomplishing the same mission and being a part of Trumbull Mobile Meals.

Our staff works diligently making sure to provide our community with premier home delivered meals. Some days are more challenging than others but we are thankful to be part of such a great agency with amazing volunteers.

In closing, I want to share the amazing work that went on at the end of January. I was humbled by the response of our awesome staff and volunteers. With the severe winter weather approaching at the end of January, I spoke with the staff expressing my concerns for the clients and the volunteers. The staff did not hesitate – “we can do this” was their response. Making sure everyone had food before the DEEP FREEZE. When our Volunteer Coordinator Terri called the volunteers asking them for additional help – they did not hesitate and said yes!! It was very humbling not only helping but observing everyone pulling together to get the job done.

Our clients had food and our volunteers were safe! We utilized 20 packers and over 40 drivers to get the meals delivered. Words don’t justify how I feel in my heart. I’m thankful for you all!!!

THANK YOU!! THANK YOU!!! THANK YOU!!!

Becky

Empowerment Through Volunteerism
COMMUNITY LEADERS HELP DURING THANKSGIVING WEEK

Over 240 Trumbull County residents receive freshly prepared, nutritious, daily meals from Trumbull Mobile Meals. Besides a small staff, it takes nearly 45 volunteers, each day, to complete that undertaking. During Thanksgiving week, local community leaders joined the volunteers and assisted in the preparation, packing and delivery.

Joining the volunteers were State Representative, 63rd District, Glenn Holmes; State Representative, 64th District, Michael O’Brien; Warren Township Trustee Chairman Edward Anthony and his wife Kathy; and Braceville Township Trustee Jeff Tucker.
